DRILL PRESS

FEBRUARY 2012

HAPPY NEW YEAR

Welcome to the first Drill Press of 2012. This year promises to be a great one for P&N with the business proudly celebrating 50 years of manufacturing in New Zealand.

By now you will have noticed the sharp looking new jobber/twist drill packaging out in the market. We are now launching the new look Evacut masonry and cobalt range of prepacked drills, so make sure you keep an eye out as new stock arrives. We look forward to bringing you more innovations from P&N over this coming year.

NOTE FROM SALES

I trust you had a happy and safe Christmas/ New Years break and are refreshed and looking forward to the year ahead.

This year will be an exciting one for our company for a number of reasons, none more so than the celebration of 50 years manufacturing drilling and cutting tools in New Zealand. This is something we are extremely proud of and we take great pride in the fact that we supply quality NZ made product to both our domestic market and a large number of overseas customers whilst employing a large number of Kiwis. We plan to make this event a special one and will keep you updated as to how this will be of benefit to you.

We also look forward to working with you this year to follow up on your great support from 2011 with a number of our brands including Sutton Tools, Evacut, P & N products, Dorcy Lighting, etc.
