The Tapper Repair Pack Merchandiser is a 24 station attractive point of sale display holding 18 of the fastest moving sizes. This display is aimed at a customer who may be looking to repair one or two damaged threads.

Each pack has a bolt, a nut and one insert ready to do the repair. Instructions are included in each pack for installation details.

All your customer has to do is drill the correct size hole (nominated on each pack), then install the insert using the nut and bolt provided to finish the repair!

Recoil Tappers - self tapping inserts for use in metal, wood and plastics.
